

YOUR EXCLUSIVE INVITATION TO A LIVE MASTERCLASS WEBINAR IN DIGITAL DISRUPTION

Nutanix is proud to offer you an exclusive 2-hour live Masterclass webinar, led by [Dr. Art Langer](#), Director of The Columbia University Center for Technology Management.

In this Masterclass, you will learn how to:

- Anticipate and successfully address unexpected threats
- Mitigate the negative impacts of digital disruption and other factors
- Answer the big questions facing your organization
- Effectively manage timing and risk
- Transform your organization to success in the future
- Elevate your career

The Masterclass is intended for CIOs, CTOs, CEOs and other Executives who are looking to take their organization, and their career, to the next level. Upon completion of the Masterclass, attendees will receive a Certificate of Completion from [Columbia University Center for Technology Management \(CTM\)](#).

In addition to the Certificate, participants will also benefit from post-Masterclass access to Columbia University Center for Technology Management papers and research.
